

Volunteer Opportunity

"To have someone show up at your door with a meal and maybe sit with you for a while – that's community."

Join the team that fuels *Foodmobile*

We're a team of volunteer drivers. When older adults can no longer cook or get around like they used to, we show up at their door with a warm meal – and stay for a moment to see how they're doing. We're about helping our neighbors stay healthy, independent, and connected.
