Positive Parenting Program

The Positive Parenting Program (PPP) helps parents in San Diego County find positive solutions to common childhood behavior issues using strategies proven by more than 35 years of research. The curriculum is based on Triple P, an evidenced-based program that has been shown to promote family harmony, reduce parent-child conflict, foster successful peer relationships, and prepare children for successful experiences at school.

People can choose from larger public seminars, small group sessions, or individualized consultations — all led by Triple P certified parent educators. Services are offered in English and Spanish at sites across San Diego.

Eligibility: Have a child or be working with a child under the age of 12. Can be parents, grandparents, teachers, or caretakers etc.
