

# black women's resilience project

**A VISION FOR HOLISTIC CARE THAT PAIRS GUARANTEED INCOME,  
CULTURAL SERVICES, AND STRONG EVALUATION TO ADVANCE  
THE SOCIAL AND ECONOMIC MOBILITY OF BLACK WOMEN  
CAREGIVERS.**

The Black Women's Resilience Project pairs direct cash with programming that invites participants to craft their unique vision for their life, build life-sustaining connections with each other and their community, and engage in activities like mentorship, coaching, and social enterprise opportunities that help build economic mobility and generate wealth. We expect to see increased food and housing security, improved health outcomes, and advances in career or job that create sustainable sources of income for the household.
